Benefits of a personal subscription to UpToDate:

- Get answers that impact patient care.
- Enjoy online access from any location through your computer or mobile device.
- Earn CME/CE/CPD credit researching your clinical questions: AMA PRA Category 1 Credit™, AAFP Prescribed credit, AANP contact hours, AAP credit, AOA credit and ACEP credit, ACCOG cognate credit, AOACredit and CFPC Mainpro®-M1 Credit. Visit http://www.uptodate.com/home/educational-objectives for specialty-specific educational goals and objectives.
- Australia and New Zealand: Receive time-based documentation to use toward your RACP and RANZCOG CPD requirements.

Note: UpToDate is accredited and recognized by colleges, associations, and authorities from around the world, and is a globally accepted information resource and learning tool. To see if you can use your UpToDate in-country CME requirements in your country or specialty, please visit www.uptodate.com/cme for the most current list of CME requirements. The ability to earn CME credit is not available in all countries, and it is up to each user to determine whether the use of UpToDate qualifies for CME in a particular country or specialty.

TAP INTO THE WORLD’S LARGEST CLINICAL COMMUNITY

For more than 20 years, UpToDate has been providing our community of clinicians — now numbering over 850,000 — with unbiased, continuously updated, evidence-based medical information.

UpToDate is one of the world’s most trusted clinical information resources. In fact, independent research shows that clinicians turn to UpToDate more than almost any other resource to find answers to their clinical questions.¹

Find out for yourself why your colleagues prefer UpToDate to other information resources.

93% of subscribers say UpToDate improves the quality of care they provide.²

UPTODATE HELPS YOU FIND INFORMATION QUICKLY AND EASILY

- More than 10,000 topics cover more than 20 specialties, and additional specialties are in development.
- Accrue free CME credit/CE contact hours/CPD time tracking while using UpToDate.
- Unlimited access from any location through your computer or mobile device browser and through our award-winning Mobile Apps allows you to find answers anytime, anywhere.
- Optimized search capabilities allow you to enter multiple terms to find fast, accurate answers.
- Enhanced search results provide links to the sections and graphics within a topic that are most likely to answer your clinical question.
- Graphics search allows you to search more than 27,000 graphics, view results in an easy-to-scan thumbnail format, and directly access topics that reference a graphic for more information. Export, print, or email as needed.
- Search in Your Own Language enables queries and navigation in 9 languages.
- Nearly 1,500 patient education topics help you inform your patients and encourage shared decision making.
